

The Little Trudy Chang Memorial Trophy

awarded by Cara Tozour

When my parents purchased Trudy on Valentine's day 1983 my life changed for every. Trudy was truly a one of a kind horse that excelled in many equine disciplines. She had started her career as a combined training horse. Together Trudy and I successfully showed in the Quarter Horse Circuit and qualified for Congress in both Youth and Open Jumpers. We also competed in many ECSJ and AHSA recognized shows in hunters/jumpers and equitation. My parents decided we needed to sell Trudy when I turned 17. I had to go to college and they could not afford to send me with my horse. Much to my dismay my parents sold Trudy to the Stackhouse family. I can now say that was a wonderful decision! The Stackhouses' gave Trudy a loving and caring home. She will be sadly missed and never forgotten!

In Memory of Trudy, who taught me many unforgettable lessons (good and bad), I will award the "The Little Trudy Chang Memorial Trophy" to the Jr or Sr ECSJ member that has competed and qualified for year end awards in both dressage and a hunter/jumpers/equitation division. Total year end points earned from hunter... division and dressage average will be determining factors. Do not forget you need to be a member for both disciplines to be eligible. Dressage scores should be sent Cara Tozour prior December 1st.
