

ECSJ SPECIFICATIONS

AGE REQUIREMENTS

For horse show purposes, the age of an individual on December 1 shall be maintained throughout that entire year. Persons born on December 1 will assume the greater age on that date.

1. A Junior rider is anyone who has not reached his/her 18th birthday as of December 1.

An Adult rider is anyone who has reached his/her 18th birthday as of December 1.

ELIGIBILITY FOR RESTRICTED DIVISIONS

For horse show purposes, the status (Adult, Beginner, etc.) of a horse or rider as of December 1 shall remain that status for the following year. See specific Division descriptions for more information.

YEAR END AWARDS

ECSJ show year will run concurrent with USEF show year.

Champion and Reserve awards and ribbons to 10th place will be given for the following :

<i>Short Stirrup</i>	<i>*Walk/Trot</i>
<i>Beginner Rider</i>	<i>Pre-Children's/Children's Hunter</i>
<i>Pre-Children's/Pre-Adult Equitation</i>	<i>Low/Working Hunter</i>
<i>*Children's Equitation</i>	<i>Baby Green Hunter</i>
<i>*Mini Stirrup</i>	<i>*Adult Hunter</i>
<i>Pleasure Horse/Pony</i>	<i>*Long Stirrup</i>
<i>*Schooling Jumper</i>	<i>*Pony Hunter</i>

*These divisions are optional for show producers to hold. They must be held in at least 25% of the shows in a calendar year in order to receive a Year End Award.

Awards and ribbons are based upon highest point accumulation throughout the year. Standings are published quarterly in the ECSJ UPDATE. In the event of a tie at the year end, duplicate awards and ribbons are given. ECSJ reserves the right to combine the following divisions for year end awards if less than 5 in each division:

Pleasure Horse and Pleasure Pony
Low Hunter and Working Hunter

REGULATION HARD HATS

These must be worn by all riders, as specified by USEF.

POINTS AND CHAMPIONSHIPS

Hunter Divisions

At any single show, all horse and ponies competing in hunter divisions for Year End Awards, must enter and complete one over fences class in that division in order that all points won will count.

Optional Divisions

The optional divisions listed on page #1 are not required by show producers to be held. They must be in at least 25% of the shows in the calendar year to receive a Year End Award.

Point System

The chart below fully explains the system of awarding points for ribbon winnings based upon class size. Within each division, use the number of entries in the largest class, and apply that to the other classes in that division.

	2 to 14	15 to 24	25+
1st Place	7	14	21
2nd Place	5	10	15
3rd Place	4	8	12
4th Place	3	6	9
5th Place	2	4	6
6th Place	1	2	3

Championships

The above point system is to be used in determining division championships at each horse show.

Championship Ties

It is the duty of the show committee to announce any ties as quickly as possible following the completion of the involved division. The tie should be settled promptly.

In hunter division ties, the winner is to be the horse or pony with the most points over fences. If this does not break the tie, then a hack off is to be held, or they can be decided by the flip of a coin if both parties agree.

In equitation division ties, they must hack off, or equal ribbons awarded, or a championship class held open to 1st and 2nd place winners throughout the division.

ECSJ APPROVED DIVISIONS

ECSJ sanctioned horse shows are required to offer the following divisions. See Division/Class Specifications for description of classes required for each division.

<i>Short Stirrup</i>	<i>Baby Green Hunter</i>
<i>Beginner Rider Equitation</i>	<i>Pleasure Horse/Pony*</i>
<i>Pre-Children's/Pre-Adult Rider Equitation</i>	
<i>Pre-Childrens-Pre-Adult/Children's-Adult Hunter</i>	
<i>Low/Working Hunter*</i>	

The following divisions are optional and must be held in at least 25% of the horse shows in the calendar year in order to receive a Year End Award.

<i>Pony Hunter</i>	<i>Mini-Stirrup</i>	<i>Walk/Trot</i>
<i>Schooling Jumper</i>	<i>Children's Equitation</i>	<i>Long Stirrup</i>
<i>Adult Hunter</i>		

*May be run as two divisions.

Non-members may present a current USEF Pony Measurement Card.
2. Exhibitors that have been issued Pony Measurement Cards, but have lost or forgotten them, must be re-measured at that show prior to registering, and will be charged a \$5.00 fee to be collected by an ECSJ representative. Only in the case of a lost card will an additional card be issued.

E.C.S.J. RECOMMENDATIONS ON JUMP CONSTRUCTION AND COURSE DESIGN

Reference: Carruthers, Morris, Hogan & Thompson: Designing Courses and Obstacles, Houghton Mifflin Company, Boston, 1978.

Suggestions of Good Course Design

The well-planned course should enable horse and rider to demonstrate their abilities. Every course should encourage clean rounds. If no horse can negotiate the course successfully, then the course is of poor design, or the designer has set a test too severe for the caliber of horses competing.

"A hunter course shall be any course which management deems a fair test of a hunter. Fences shall simulate obstacles found in a jumping field, such as a natural post and rail, brush, stone wall, white board fence or gate, chicken coop, aiken, hedge, oxer, etc. Oxers are not to be square. A 6" difference is recommended for the back element with a minimum of 3". A ground line is recommended for all fences. In handy classes, fences shall simulate those found in trappy hunting country; the course must have a least two changes of direction, and at least one combination; horses are required to trot over one fence toward the end of the course and may be asked to lead over one fence. A chicken coop hinged at the top and free at the bottom, and jumps such as a triple bar and hogs back, striped rails, targets and spread over 4' are prohibited.

The suggested distance for an in-and-out when used in a ring is 24' to 26', and on an outside course is 26' to 28'. An in-and-out is considered two obstacles in the required number of fences, but must never be used as a first fence.

Every course must have at least four (4) different types of fences, and all fences must have wings 30" wide, that are at least 12" higher than the fence. Pen jumps are excepted.

The top element of all fences must be securely placed so that a slight rub will not cause a knock-down, and must be equally secure for different heights in the same class. The inside dimension of a cup for a 4" pole must be a minimum of 1 1/2" deep, and 5" across.

Spacing between fences - Distances should not be so awkward as to require a horse to alter his normal stride. The normal stride of a horse is 12'. When spacing fences on a line, try to achieve fences 3, 4 or 5 strides apart. Pen striding is allowed on the turns. Striding distance is determined as follows: 3 strides - $3 \times 12' + 12' = 48'$; 4 strides - $4 \times 12' + 12' = 60'$; 5 strides - $5 \times 12' + 12' = 72'$. In-and-outs: Horses 24' to 26' in ring; 26' to 28' outside course. Small ponies 20' to 22'; large ponies 24".
